Milan, 3<sup>rd</sup> April 2007

**Subject: MHADIE internal scientific meeting**  
**Zurich, 30th May - 1<sup>st</sup> June 2007**

Dear Advisory Board Members,

Mhadie Project's next internal scientific meeting is scheduled to take place in Zurich, from 30<sup>th</sup> May to 1<sup>st</sup> June. We are planning to hold a dedicated session for guidelines drafting, based on Mhadie research results, in view of the Consensus Conference which will be held in Milan on 29<sup>th</sup> and 30<sup>th</sup> November. Our endeavour now is to transfer research results to policy recommendations for health and disability in Europe, and we would very much appreciate it if you could join us in this effort.

I would then like to invite you to attend this meeting **on 1<sup>st</sup> June** (see agenda attached) and give your valuable contribution to policy guidelines drafting. I would propose that you arrive in Zurich in the evening of 31<sup>st</sup> May, join us for dinner, and then attend the meeting on the following day ( a morning briefing session chaired by Prof. Jerome Bickenbach, the press conference and the afternoon meeting). Your own travelling expenses and accommodation for 1 or 2 nights according to your travelling schedule will be covered by my Institute in its capacity of Mhadie Coordinating Centre.

I hope that you will be able to join us and look forward to hearing from you soon.

Best regards,

Matilde Leonardi, M.D.  
MHADIE Project Coordinator
